change, looking forward, excited, nervous, anxious, happy

Summary of unit

By the end of the 'Changing Me' topic I will:

Understand that in animals and humans lots of changes happen between conception and growing up, and that usually it is the female who has the baby.

Understand how babies grow and develop in the mother's womb and what a baby needs to live and grow.

Understand that boys' and girls' bodies need to change so that when they grow up their bodies can make babies.

Recognise stereotypical ideas about parenting and family roles.

Identify what I am looking forward to when I move to my next class.

Key questions

How do I feel when I see babies or baby animals?

How might I feel if a new baby joins my family?

How do I feel about changes happening to me and how do I cope with these feelings?

How do I feel if my ideas are challenged?

What changes will I make next year and how?
